

Memory Café

for individuals living with various forms of dementia and their caregiver

Memory Café is a biweekly program to support leisure, fun, and friendship for people living with dementia or memory impairment and their caregivers. Each Café is different and will feature seasonal programs and activities, as well as social time and refreshments. You are welcome to attend as frequently as you wish! To see upcoming topics, please visit: www.stonehilldbq.com/caregiverresourcecenter/memorycafe

**2nd and 4th Thursdays of the Month
